Congratulations to the
2022 Campus Race to Zero Waste Colleges and Universities!

CR2ZW Competition 2022 Impact:

- **27.9 million** pounds of waste donated, composted and recycled.
- **200 million** single-use plastic containers kept out of the landfill
- **Prevented release of 30,288 metric tons** of carbon dioxide equivalent (MTC02E) into the atmosphere, equivalent to preventing annual emissions of from 6,376 cars!

Using fair and friendly competition, the Campus Race to Zero Waste provides tools and opportunities that inspire, empower, and mobilize colleges and universities to benchmark and improve efforts to reduce or eliminate waste.
The Campus Race to Zero Waste (CR2ZW) is a friendly competition for colleges and universities to promote waste minimization, reuse and recycling activities to their campus communities.

CR2ZW campuses address one of the biggest threats to the world’s wildlife and human health—plastic pollution and solid waste disposal.
