Congratulations to the 2023 Colleges and Universities!

2023 Impact

- 29.4 million pounds of waste donated, composted and recycled
- 205 million single-use plastic containers kept out of the landfill
- Prevented the release of 29,108 metric tons of carbon dioxide equivalent (MTCO2E) into the atmosphere, equal to preventing the annual emissions of from 6,128 cars!

RUBICON
Campus Race to Zero Waste
2023 is powered by Rubicon

Using fair and friendly competition, the Campus Race to Zero Waste provides tools and opportunities that inspire, empower, and mobilize colleges and universities to benchmark and improve efforts to reduce or eliminate waste.
The Campus Race to Zero Waste (CR2ZW) is a friendly competition for colleges and universities to promote waste minimization, reuse and recycling activities to their campus communities.

CR2ZW campuses address one of the biggest threats to the world’s wildlife and human health—plastic pollution and solid waste disposal.
