National Wildlife Federation is the manager of the Campus Race to Zero Waste and works in partnership with RecycleMania, Inc.

Using fair and friendly competition, the Campus Race to Zero Waste provides tools and opportunities that inspire, empower, and mobilize colleges and universities to benchmark and improve efforts to reduce or eliminate waste.

The Campus Race to Zero Waste (CR2ZW) is a friendly competition for colleges and universities to promote waste minimization, reuse and recycling activities to their campus communities.

CR2ZW campuses address one of the biggest threats to the world's wildlife and human health—plastic pollution and solid waste disposal.
